

Volunteer Opportunities

SERVING OUR NEIGHBORS

Casework

Caseworker Assist

Interested in learning more about the society or joining an occasional home visit? Casework is at the heart of our Vincentian ministry. Two Vincentians accompany each home visit, providing a wonderful opportunity to experience firsthand how SVdP serves our neighbors in need with compassion and dignity.

Caseworker

SVdP provides assistance to our neighbors in need, made possible through the generosity of our parish community. Following the example of St. Vincent de Paul, Vincentians visit neighbors in their homes, offering assistance with respect, compassion, and dignity. From the Society's beginning, home visitation has been a cornerstone of Vincentian service to those in need. No experience necessary—training is provided.

Caseworker Admin Support

Support our Caseworkers by assisting with administrative tasks that help serve our neighbors in need.

Pantry

Pantry Drive-Thru

Join us Saturday mornings twice a month from 8:00–11:00 a.m. Each pantry requires nearly 20 volunteers, and the schedule is set every three months. New volunteers are welcome to shadow a pantry right away to see how it works and find the role that's right for you.

Pantry Staging

Help prepare the pantry on Fridays, twice a month. Daytime hours are available, and you can sign up as soon as you have completed your Safe Environment requirements and submitted your application.

Pantry Admin Support

Help keep our food pantry running smoothly by assisting with behind-the-scenes administrative tasks.

Donation Drive

In the fall, we collect donations from our parish community to support SVdP thrift stores, which help provide resources for our neighbors in need. This annual event takes many volunteers to organize and collect donations, and it's a wonderful opportunity for parishioners and youth to get involved and serve together.

Christmas Outreach

Each December, our parish comes together for one of the most impactful events of the year. This program spreads Christmas cheer to our neighbors in need and supports many local charities who serve the most vulnerable in our community.

COMMUNITY OUTREACH & ADVOCACY

Youth Liaison

Open position. Connect with Blessed Trinity, Queen of Angels and SPC Youth groups to raise awareness of SVdP and coordinate involvement with service and our ministry.

Justice & Charity (formerly Voice for the Poor)

The advocacy arm of SVdP with a goal to end poverty through systemic change. Sign up for updates, attend Roswell City Council meetings and help our conference understand the issues.

BEHIND-THE-SCENES SUPPORT

At Home/ Communications

Activities include correspondence, data entry, help line call intake, casework manager assist and other projects as they arise. Coordinate communication between SVdP and SPC.

Donation Coordinator

Maintain list of available furniture from parishioners for those in need and schedule deliveries through Men's Club.

Hospitality

Plan conference events including food, beverage and room reservations. Coordinate volunteers for set-up and clean-up.

Membership

Welcomes new Vincentians, confirms Safe Environment compliance, tracks applications, and maintains the conference roster. Current Vincentians can also serve as Guides, mentoring new members, answering questions, and encouraging participation in conference activities.

FELLOWSHIP

Book Club

Join fellow Vincentians bi-monthly for thoughtful discussion of books that enrich our spirituality and support our conference mission.

Social

Plan quarterly social events to bring us together outside of volunteer work. All Vincentians are encouraged to share ideas on what to offer.

SPECIALIZED MINISTRIES

Marillac Moms

New ministry in development. SVdP GA's transitional housing program provides housing, life-skills training, support, and mentoring to pregnant women experiencing homelessness who also have children.

Early next year, our SVdP Conference and St. Peter Chanel will adopt a Marillac Mom family for 12 months, walking alongside them with practical assistance, encouragement, and support as they work toward stability and self-sufficiency.

Prison Ministry

New ministry in development. Focused on the SVdP USA Immersion Program launching in Georgia. The goal is to support men recently released from prison and provide support and mentoring for their first year as they seek employment, housing, transportation and other assistance.
